

Media Accreditation 2022

Applications are open until 16 May 2022

We look forward to receiving your application for press accreditation. In order to provide a safe working environment, however, accreditation numbers are again limited.

A selection will be made among the members of the press who submit the following documents by **16 May 2022**:

- **complete accreditation form**
- **copy of press card**
- **commission from a bona fide publication**
- **samples of published work**

Only **one journalist and photographer will be accredited per publication**. The use of drones is forbidden at all times. Remote cameras may be used after prior consultation. Video recordings may only be made under certain circumstances after prior consultation.

The organizing committee reserves the right to refuse accreditations and to make adjustments in accordance with official regulations.
